

Circle Inlay Box

By Janet Wilhelm for Walnut Hollow®

Materials:

- [Walnut Hollow® #26951 Circle Inlay Box](#)
- Delta Ceramcoat: Bittersweet Orange, White, Paradise, Apple Green, Sunbright Yellow
- Other Supplies: Brushes: 1 small round, 1 small flat, 1 medium flat; paper towel, sandpaper, spray varnish, 3M magic tape

Instructions:

1. To prepare box for painting, use sandpaper to lightly sand entire wood surface. Remove dust with paper towel.
2. Use medium flat brush to apply Paradise paint to the bottom portion of box. Let dry and apply second coat. Use medium flat brush to apply Sunbright Yellow paint to lid of box except for indented top. Let dry and apply second coat. Use small flat brush to apply White paint to indented portion of lid. Let dry and apply second coat.
3. Use small round brush to apply Bittersweet Orange, Apple Green, and Paradise to circle designs. Refer to photo for paint ideas.
4. Use tape to tape off a ½" wide section on bottom portion of box. Use small flat brush to apply white inside taped area. Let dry and apply second coat if necessary. Remove tape. Let dry.
5. Use wooden end of paint brush to apply Paradise dots to white strip. Dip end into paint and lightly touch paint brush onto strip and lift. Place a dot approximately every ½". Let dry.
6. Apply 2-3 coats of spray varnish for a protective finish. Let dry.
