

Happy Birthday! Card

Designed by Chris Wallace for Walnut Hollow®

Materials:

- [Walnut Hollow® #28013 Creative Metal™ Mini Tool Set](#)
- [Walnut Hollow® Metal Squares: # 29660 Black, 29678 Light Blue](#)
- [Walnut Hollow® #28016 Metal Tape](#)
- [Sizzix® Die: Circles](#)
- [Beacon® Adhesives Zip-Dry™](#)
- Decorative paper
- Other supplies: black ink, 1) brad, cosmetic sponge, fine sandpaper, paper trimmer, ruler, scissors

Instructions:

Note: Items used below, but not listed in the materials above, are included in the Mini Tool Set.

1. Use paper trimmer to cut decorative paper to make card 5 ½" x 8 ½". Fold in half to make card. Cut coordinating paper 1 ½" x 4 ¼" and 1 ½" x 3 7/8". Use sponge with black ink to antique edges of paper. Use Zip-Dry to adhere accent paper pieces to card.
2. Use Circle die to cut Black Metal and Light Blue Metal circles. Use your fingers to crinkle edges of each circle. Use scissors to cut piece of Black Metal 1 8" x 3 5/8".
3. Attach Metal Detailer Point onto Handle. Using a very light touch, write "Happy Birthday" on the Black Metal. Flip Metal over, place on foam mat. Trace over each letter to emboss the words.
4. Attach Roller onto Handle. Emboss on back of Metal on each long side of sentiment strip.
5. Use fine sandpaper to lightly sand all Metal pieces to highlight.
6. Press Metal Detailer Point into center of each circle to create a hole. Use brad to attach all circles together as shown in photo.
7. Use Metal Tape to adhere metal sentiment and metal circle flower to card. Cut Metal Tape with scissors to fit back of each piece. Press in place. Remove backing and press onto card.
