- Other supplies: Foam brush, fabric glue, paper towels, fine sandpaper

Instructions:

Note: Items used below, but not listed in supplies, are included in Beginner Set.

1. Following instructions on packaging, apply Pre-Stain Conditioner on the Box using a foam brush. Let dry. Lightly sand with fine sandpaper.
2. To emboss Metal, place Pink Metal Square over Design Square, Pink side down. Use Texture Tool to emboss design by rubbing over Metal until design details are revealed. If desired, use Nylon Detailer to refine design.
3. Use Metal Tape to adhere Pink Metal Square on lid of Box. Use scissors to cut Tape to fit on back of metal and press in place. Remove backing from Tape and press Metal down on lid.
4. Use fabric glue to adhere decorative ribbon on lid and around bottom of Box. Refer to photo for ribbon placement.
