Materials:

- [Walnut Hollow® Creative Metal™ Lt. Aluminum or Scraps from Previous Projects](#)
- [Walnut Hollow® Creative Metal™ Beginner Kit #27996](#)
- [Walnut Hollow® Creative Metal™ Mats- 5"x7" #28008](#)
- Decorative Scrapbook Papers, Cardstock, Stickers, and Tags
- Gel Pens
- Other Supplies: paper adhesive and scrapbook brad

Instructions:

1. Cut one 10" x 7" piece from decorative cardstock. Fold card in half creating a 5" x 7" card.
2. Cut one 5" x 3 ¾" piece from decorative cardstock.
3. Cut one 3 ¼" x 4" piece from decorative paper.
4. Using scissors, cut one 1 ½" square and one 1" x 1 ½" rectangle from Aluminum Metal.
5. To emboss Metal, attach Medium roller and Nylon Detailer Point onto the Handle. Decorate edges of square and rectangle with Medium roller. Using the Nylon Detailer Point, add "doodled" hearts between the embossed Roller designs on the square metal and write You! on the rectangle metal. You can "doodle" on either side of the Metal to achieve different looks.
6. Using a gel pen, outline the hearts on the square and the You! On the rectangle.
7. Create hole in tag with sharp pencil tip and insert brad into tag.
8. Layer cardstock pieces and tag onto the front of card. Adhere in place with paper adhesive.
9. Affix embossed Metal Pieces onto the front of card with Metal Tape. Cut Tape into pieces that are the same length as each edge. Affix tape to back of the Metal. Remove backing from Tape and press Metal in place.
10. Apply LOVE sticker onto heart embossed metal square.
