

Metal Squares Frame

By Janet Wilhelm for Walnut Hollow®

Materials:

- [Walnut Hollow® #27753 Wood Frame – Small](#)
- [Walnut Hollow® 27996 Creative Metal™ Beginner Kit](#)
- [Walnut Hollow® Metal Roll, Aluminum](#)
- [Walnut Hollow® Metal Roll, Brass](#)
- [Walnut Hollow® 28016 Metal Tape](#)
- Other Supplies: Acrylic Paint (choice of color), paint brush, paper towel, photo, Phillips Screwdriver, sandpaper, spray varnish

Instructions:

Note: Items used below, but not listed in supplies, are included in Beginner Kit.

1. Use screwdriver to remove tabs that secure frame stand to frame. Remove glass. To prepare frame for painting, use sandpaper to lightly sand wood surface. Remove dust with paper towel.
2. Use paint brush to apply paint to wood surface. Let dry and apply second coat if needed.
3. Apply 2-3 coats of spray varnish to wood surface for a protective finish.
4. Use scissors to cut (4) 1 ½" squares from Aluminum Metal Roll. Attach Medium Roller to Handle. Place metal on Foam Mat. Create a border around each Aluminum Square.
5. Use scissors to cut (4) 1" squares from Brass Metal Roll. Use Medium Roller to create a border around each square. Remove Medium Roller from Handle. Attach Nylon Detailer to Handle. Create a "doodle" design inside border.
6. Use Metal Tape to adhere Brass Square to Aluminum Square. (Refer to photo for placement.) Use scissors to cut tape to fit on back of Brass Metal. Remove backing and press onto Aluminum Metal. Use Metal Tape to adhere Aluminum Squares to each corner of frame. Use scissors to cut Tape to fit on back of Aluminum Square and press in place. Remove backing from Tape and press metal on wood surface.
7. Turn frame over to replace glass into frame. Lay photo on glass. Replace frame stand and attach tabs with screwdriver.
