

Large Organizer

By Janet Wilhelm or Walnut Hollow®

Materials:

- [Walnut Hollow® #28110 Organizer – Large](#)
- Paint – color of choice
- Decorative Paper – Coordinate with Paint
- Decorative Ribbon – Coordinate with Paper and Paint
- Paper Adhesive – Spray or Brush On
- Other Supplies: brush, paper towel, ruler, sandpaper, scissors, wood sealer, spray varnish

Instructions:

1. To prepare Organizer for painting, apply wood sealer to entire surface. Use sandpaper to lightly sand surface. Remove dust with paper towel.
2. Use brush to apply paint to entire surface. Let dry. Apply second coat as needed. Let dry.
3. Apply 2-3 coats of spray varnish for a protective finish.
4. Use ruler to measure width of three sections to be covered in decorative paper. Cut paper to proper width. To figure out the height and to get the exact curve, slide paper into slot. Hold in place with one hand or stabilize with a piece of stiff paper or cardboard. Use pencil to trace along the curved line of each section. Use scissors to cut along traced lines.
5. Use paper adhesive to adhere paper to each section.
6. Use scissors to cut ribbon to go across front and both sides of Organizer. Glue in place. Form small bow and glue over ribbon on front as shown in photo.
